Article 4 - LOCATION:

Please be advised the data processing activities take place in the United States, outside the European Economic Area. Data may also be transferred to companies within the United States, but will only be done so in a manner that complies with the EU's General Data Protection Regulation or GDPR. The location where the data processing activities take place is as follows:

Wisconsin, United States (Chosen Few Software)

Article 5 - MODIFICATIONS AND REVISIONS:

We reserve the right to modify, revise, or otherwise amend this Privacy Policy at any time and in any manner. If we do so, however, we will notify you and obtain your consent to the change in processing. Unless we specifically obtain your consent, any changes to the Privacy Policy will only impact the information collected on or after the date of the change. It is also your responsibility to periodically check this page for any such modification, revision or amendment.

Article 6 - THE PERSONAL DATA WE RECEIVE FROM YOU:

Depending on how you use our Mobile App, you will be subject to different types of Personal Data collected and different manners of collection:

a) Registered users: You, as a user of the Mobile App, may be asked to register in order to use the Mobile App in a legal manner.

During the process of your registration, we will collect some of the following Personal Data from you through your voluntary disclosure:

Google Play Games account (username or other uniquely identifiable information)

Personal Data may be asked for in relation to:

I) Interaction with our representatives in any way

II) Or the following other forms of participation:

Playing in public multiplayer matches with users across the world

By undergoing the registration process, you consent to us collecting your Personal Data, including the Personal Data described in this clause, as well as storing, using or disclosing your Personal Data in accordance with this Privacy Policy.

b) Unregistered users: If you are a passive user of the Mobile App and do not register at all, you may still be subject to certain passive data collection ("Passive Data Collection"). Such Passive Data Collection may include through cookies, as described below, IP address information, location information, and certain browser data, such as history and/or session information.

c) All users: The Passive Data Collection which applies to Unregistered users shall also apply to all other users and/or visitors of our Mobile App.

Article 7 - THE PERSONAL DATA WE RECEIVE AUTOMATICALLY:

Cookies: We may collect information from you through automatic tracking systems (such as information about your browsing preferences) as well as through information that you volunteer to us (such as information that you provide during a registration process or at other times while using the Mobile App, as described above).

For example, we use cookies to make your browsing experience easier and more intuitive: cookies are small strings of text used to store some information that may concern the user, his or her preferences or the device they are using to access the Internet (such as a computer, tablet, or mobile phone). Cookies are mainly used to adapt the operation of the site to your expectations, offering a more personalized browsing experience and memorizing the choices you made previously.

A cookie consists of a reduced set of data transferred to your browser from a web server and it can only be read by the server that made the transfer. This is not executable code and does not transmit viruses.

Cookies do not record or store any Personal Data. If you want, you can prevent the use of cookies, but then you may not be able to use our Mobile App as we intend. To proceed without changing the options related to cookies, simply continue to use our Mobile App.

Technical cookies: Technical cookies, which can also sometimes be called HTML cookies, are used for navigation and to facilitate your access to and use of the site. They are necessary for the transmission of communications on the network or to supply services requested by you. The use of technical cookies allows the safe and efficient use of the site.

You can manage or request the general deactivation or cancelation of cookies through your browser. If you do this though, please be advised this action might slow down or prevent access to some parts of the site.

Cookies may also be retransmitted by an analytics or statistics provider to collect aggregated information on the number of users and how they visit the Mobile App. These are also considered technical cookies when they operate as described.

Temporary session cookies are deleted automatically at the end of the browsing session - these are mostly used to identify you and ensure that you don't have to log in each time - whereas permanent cookies remain active longer than just one particular session.

Third-party cookies: We may also utilize third-party cookies, which are cookies sent by a third-party to your computer. Permanent cookies are often third-party cookies. The majority of third-party cookies consist of tracking cookies used to identify online behavior, understand interests and then customize advertising for users.

Third-party analytical cookies may also be installed. They are sent from the domains of the aforementioned third parties external to the site. Third-party analytical cookies are used to detect information on user behavior on our Mobile App. This place anonymously, in order to monitor the performance and improve the usability of the site. Third-party profiling cookies are used to create profiles relating to users, in order to propose advertising in line with the choices expressed by the users themselves.

Support in configuring your browser: You can manage cookie through the settings of your browser on your device. However, deleting cookies from your browser may remove the preferences you have set for this Mobile App.

For further information and support, you can also visit the specific help page of the web browser you are using:

- Internet Explorer: <http://windows.microsoft.com/en-us/windows-vista/block-or-allow-cookies>

- Firefox: <https://support.mozilla.org/en-us/kb/enable-and-disable-cookies-website-preferences>

- Safari: <http://www.apple.com/legal/privacy/>
- Chrome: <https://support.google.com/accounts/answer/61416?hl=en>
- Opera: <http://www.opera.com/help/tutorials/security/cookies/>

Log Data: Like all websites and mobile applications, this Mobile App also makes use of log files which store automatic information collected during user visits. The different types of log data could be as follows:

- internet protocol (IP) address;
- type of browser and device parameters used to connect to the Mobile App;
- name of the Internet Service Provider (ISP);
- date and time of visit;
- web page of origin of the user (referral) and exit;
- possibly the number of clicks.

The aforementioned information is processed in an automated form and collected in an exclusively aggregated manner in order to verify the correct functioning of the site, and for security reasons. This information will be processed according to the legitimate interests of the Data Controller.

For security purposes (spam filters, firewalls, virus detection), the automatically recorded data may also possibly include Personal Data such as IP address, which could be used, in accordance with applicable laws, in order to block attempts at damage to the Mobile App or damage to other users, or in the case of harmful activities or crime. Such data are never used for the identification or profiling of the user, but only for the protection of the Mobile App and our users. Such information will be treated according to the legitimate interests of the Data Controller.

Article 8 - THIRD PARTIES:

We may utilize third party service providers ("Third Party Service Providers"), from time to time or all the time, to help us with our Mobile App, and to help serve you.

We may use Third Party Service Providers to assist with information storage (such as cloud storage).

We may provide some of your Personal Data to Third Party Service Providers in order to help us track usage data, such as referral websites, dates and times of page requests, etc. We use this information to understand patterns of usage of, and to improve, the Mobile App.

We may use Third Party Service Providers to host the Mobile App. In this instance, the Third Party Service Provider will have access to your Personal Data.

We may use Third Party Service Providers for the following services in relation to the Mobile App:

GameSparks Services (To provide multiplayer interaction)

Google Play Games Services (To authenticate players in order to maintain their identity throughout multiplayer interactions)

Your Personal Data will not be sold or otherwise transferred to other third parties without your approval.

Notwithstanding the other provisions of this Privacy Policy, we may provide your Personal Data to a third party or to third parties in order to protect the rights, property or safety, of us, our customers or third parties, or as otherwise required by law.

We will not knowingly share your Personal Data with any third parties other than in accordance with this Privacy Policy.

If your Personal Data might be provided to a third party in a manner which is other than as explained in this Privacy Policy, you will be notified. you will also have the opportunity to request that we not share that information.

Article 9 - HOW PERSONAL DATA IS STORED:

We use secure physical and digital systems to store your Personal Data when appropriate. We ensure that your Personal Data is protected against unauthorized access, disclosure, or destructions.

Please note, however, that no system involving the transmission of information via the internet, or the electronic storage of data, is completely secure. However, we take the protection and storage of your Personal Data very seriously. We take all reasonable steps to protect your Personal Data.

Personal Data is stored throughout your relationship with us. We delete your Personal Data upon request for cancelation of your account or other general request for the deletion of data.

In the event of a breach of your Personal Data, you will be notified in a reasonable time frame, but in no event later than two weeks, and we will follow all applicable laws regarding such breach.

Article 10 - PURPOSES OF PROCESSING OF PERSONAL DATA:

We primarily use your Personal Data to help us provide a better experience for you on our Mobile App and to provide you the services and/or information you may have requested, such as use of our Mobile App.
